Global Goals for Sustainable Development

SEPTEMBER 28, 2015
2pm-5pm

Waldorf Astoria Jade Room
301 Park Avenue, New York, New York, 10022-6897, USA

This watershed event will feature interactive discussions that showcase collaborations and innovations to overcome the data challenges we face worldwide – including new commitments from High-Level Representatives of Government, Private Sector and Civil Society CEOs, Heads of International Organizations, Youth leaders, and other Partners.

Learn how new and ongoing collaborative efforts through the global partnership will help

- ▶ Improve Data Use
- ▶ Fill Data Gaps
- ▶ Expand Data Literacy and Capacity
- ▶ Increase Openness and Leveraging of Existing Data
- ▶ Mobilize Resources

Join partners from government, civil society, the private sector, multilateral agencies and key stakeholders as we officially begin making this vision into a reality.
