Funding Opportunity to Attend the 9th French Colloquium in Survey Sampling

As a sponsor of the 9th French Colloquium in Survey Sampling (<http://sondages2016.sfds.asso.fr/inscriptions/>), and with the assistance of the ISI World Bank Trust Fund for Statistical Capacity Building (WBTFCB), IASS has set up a competitive award to financially support three young statisticians from developing countries to cover expenses to attend the event. Young statisticians eligible to receive this travel award must be less than 35 years of age, must be a citizen of a developing country and must currently reside (working/teaching/studying) in their native country. If you are interested in applying for travel support to attend this October 2016 conference, please see details about the application process at <http://sondages2016.sfds.asso.fr/pays-en-developpement/>.
