ISBIS 2016

The ISBIS biennial international symposium, ISBIS 2016, will take place in Barcelona, Spain on 8-10 June 2016. The program is available on the conference website at www.stat.duke.edu/~banks/barcelona, along with other logistic information. The focus of the conference is on data mining, time series, and applications. The conference features three keynote speakers: David Ríos Insua of the Institute of Mathematical Sciences, ICMAT-CSIC, Marian Farah of the Climate Corporation, and Henry Wynn of the London School of Economics and Political Science.

ISBIS Newsletter

ISBIS News, the newsletter of the International Society for Business and Industrial Statistics, published recently its latest issue, available in the Society's website at <http://www.isbis.org>.
