

IAOS News April 2017

SJIAOS - March 2017 now available

The March 2017 issue of the [Statistical Journal of the International Association for Official Statistics](#) (IAOS) is now available. Its theme is “Constant Focus: Engaging to Measure Wealth” and is dedicated to [Dr. Arthur Kennickell](#) and his involvement with the [Survey of Consumer Finances](#) (SCF).

SJIAOS - upcoming issues

The upcoming June 2017 issue of the SJIAOS will feature an interview with Dr. Fritz Scheuren, SJIAOS editor-in-chief emeritus. For its September issue, the Journal is working with SCORUS to provide an issue with focus on regional and urban statistics.

2017 IAOS- IASE Satellite Meeting

The IAOS will again partner with the IASE to organise a Satellite conference to the 2017 World Statistics Congress, on the theme of **Teaching Statistics in a Data Rich World**. The satellite meeting will take place from 11-14 July 2017 in Rabat, Morocco. See IASE 2017 website <http://iase-web.org/conference/satellite17/> for more information.

2017 Joint Statistical Meeting (JSM), Baltimore, Maryland, USA

The [2017 JSM](#) will be held from 29 July-3 August in Baltimore, Maryland, USA. SJIAOS has a roundtable presentation on 2 August, at 7:00 a.m. The title of the session is “Publication Options for Producers of Official Statistics”.

Dr Fritz Scheuren, an awardee of the Deming award, will deliver one of only three plenary lectures at the JSM. If you are attending the JSM, make sure not to miss this event.

Fifth European Establishment Statistics Workshop (EESW17)

This workshop will take place from 30 August to 1 September 2017, in Southampton, UK - see [here](#) for more information.

In July, SJIAOS has an invited session at the WSC on data fabrication.

In August, join us for breakfast at the 2017 Joint Statistical Meeting (JSM) in Baltimore, Maryland! SJIAOS has a roundtable presentation on 2 August, at 7:00 a.m. The title of the session is “Publication Options for Producers of Official Statistics”.

For its September issue, the Journal is working with SCORUS to provide an issue with focus on regional and urban statistics.
