

IAOS News May 2017

IAOS 2017 YSP Winners announced

IAOS is pleased to congratulate the winners of the 2017 Young Statistician Prize.

First prize has been awarded to Hannah Thomas (United Kingdom) for the paper “The Dissemination Game: How to communicate official statistics to non-expert users”.

Second Prize has been awarded to Nicholas Husek (Australia) for the paper “Telematics Data for Official Statistics: An Experience with Big Data”.

Third Prize has been awarded to Andreas Mayer (Australia) for the paper “Improving Seasonal Adjustment by Accounting for Sample Error Correlation Using State Space Models”.

See [here](#) for more information.

IAOS - OECD 2018 Conference, 19-21 September 2018, Paris

Preparations for the IAOS-OECD 2018 Conference are underway. The Scientific Programme Committee under the leadership of Kees Zeelenberg has been appointed. See details [here](#). IAOS welcomes and thanks the members of the committee.

2017 IAOS - IASE Satellite Meeting

The IAOS will again partner with the IASE to organise a Satellite Conference to the 2017 World Statistics Congress, on the theme of “Teaching Statistics in a Data Rich World”. The Satellite Meeting will take place from 11-14 July 2017 in Rabat, Morocco. See the IASE 2017 website <http://iase-web.org/conference/satellite17/> for more information.

2017 Joint Statistical Meeting (JSM), Baltimore, Maryland, USA

The [2017 JSM](#) will be held from 29 July to 3 August in Baltimore, Maryland, USA. SJIAOS has a roundtable presentation on 2 August, at 7:00 a.m. The title of the session is “Publication Options for Producers of Official Statistics”.

Dr Fritz Scheuren, an awardee of the Deming Award, will deliver one of only three plenary lectures at the JSM. If you are attending the JSM, make sure not to miss this event.

Fifth European Establishment Statistics Workshop (EESW17)

This workshop will take place from 30 August to 1 September 2017, in Southampton, UK. See [here](#) for more information.
