

ISBIS News September 2017

ISBIS 2018

The **ISBIS** biennial international symposia, **ISBIS 2018**, will be held from July 4 to July 6, 2018 at the University of Piraeus, Athens, Greece. The 2018 ISBIS Meeting aims at the dynamic exchange of ideas for how businesses increase efficiency, support decision making under uncertainty, improve business operations, and ultimately transform their business by using statistics. For details please see <http://isbis2018.unipi.gr/>. We look forward to a strong attendance and participation of ISBIS members and friends.
