

## ISI and ICSA Cooperation

The ISI and the International Chinese Statistical Association, [ICSA](#), signed a Memorandum of Understanding early 2017, with the objective of increasing the cooperation between the societies and promoting the participation in each other's conferences and events.

The ICSA has planned a number of conferences in 2019 and welcomes invited session proposals from the ISI.

ISI members are invited to submit proposals for invited sessions at these conferences to Prof [Jing Zhang](#), who is the liaison on behalf of ISI.

The ICSA Applied Statistics Symposium will be held on 9-12 June 2019 in Raleigh, USA. The deadline for invited sessions is 16 November 2018. More information is available on the website <https://symposium2019.icsa.org/main.html>

The 11th ICSA International Conference will be held at Zhejiang University, Hangzhou, Zhejiang, China, on 20 - 22 December 2019. The Chair of the Organizing Committee is [Hongzhe Li](#). More information about the conference is forthcoming.
