### **AEEI 2019 Award**

The Abdel El-Shaarawi Early Investigator (AEEI) Award 2019 was established by the TIES Board in order to recognize and honor early investigators who have made outstanding contributions to the development of statistical and/or quantitative approaches for research in the environmental sciences. The prestigious AEEI award 2019 is granted to a researcher, who is a TIES member for years 2018 and 2019, and has received their PhD within 12 years of the submission deadline (31st Jan 2019) for nominations. For more details on the call and the nomination form please see <http://environmetrics.org/AEEI2019.html>
