

IAOS News January 2019

2019 IAOS Young Statistician Prize closes very soon

A reminder that the 2019 YSP competition closes on 15 February 2019. See <http://www.iaos-isi.org/index.php/statistics-prize> for more information.

SJIAOS – December 2018 issue now available

The [December 2018 issue](#) focuses on administrative data. Edited by guest editor, Nancy Torrieri of the US, papers in this issue provide insights into the status of the use of administrative data and records in the public and private sector. The issue also contains an interview with Olav Ljones, formerly of Statistics Norway and a former IAOS President.
