International Association for Statistical Computing (IASC-ARS2019)
2-5 December 2019, Hong Kong**

YS-ISI Invited Paper Session (IPS)

Call for Speakers

The YS-ISI (young statisticians' group in International Statistical Institute) is pleased to announce that it will propose an Invited Paper Session (IPS) on the topics that are related to "**Statistical Computing for AI and Big Data**" for the 11th Conference of IASC-ARS (the Asian Regional Section of the International Association for Statistical Computing), 2-5 December 2019, Hong Kong (<https://saasweb.hku.hk/conference/iasc-ars2019/>).

The YS-ISI invites applications from young statisticians interested in delivering a talk in YS-ISI IPS. Interested speakers are requested to contact the Chair of the YS-ISI, Han-Ming Wu, at hmwu@gm.ntpu.edu.tw with the following information: name of speaker, email, affiliation, the title of talk and a short abstract of the talk. To ensure full consideration, please submit your application by **25th February 2019**. For further information about YS-ISI, please visit <http://www.ys-isi.org/>.

(Note that YS-ISI currently didn't provide any financial support for speakers.)
