

Bernoulli Society News March 2019

Bernoulli Lecturers for the 2020 Bernoulli-IMS World Congress

The named Bernoulli Lecturers for the 2020 Bernoulli-IMS World Congress in Probability and Statistics have been announced. Persi Diaconis will give the Kolmogorov Lecture, Alison Etheridge will give the Bernoulli Lecture, Massimiliano Gubinelli will give the Lévy Lecture, Tony Cai will give the Laplace Lecture and Sara van der Greer will give the Tukey Lecture.

Expression of interest to host EMS 2022

The European Regional Committee (ERC) of the Bernoulli Society invites interested parties to express their interest to host and organize the European Meeting of Statisticians in 2022. The deadline for receipt of the expression of interest is March 31, 2019. Expressions of interest should be emailed to the chair of the ERC, Marloes Maathuis. For more information see <http://www.bernoulli-society.org/index.php/organization/erc/ems>

Statistics Conference for Aad van der Vaart's 60th Birthday

June 17 - 21, 2019

Leiden, Netherlands

<http://pub.math.leidenuniv.nl/~schmidthieberaj/aadbirthday/index.html>

The conference is in honor of Aad van der Vaart's 60th birthday. It will bring together collaborators and leading researchers in theoretical and applied statistics. Topics include nonparametric Bayes, high-dimensional/nonparametric statistics and applications of statistics in the life sciences.

New Bernoulli Society Scientific Secretary

Prof. Byeong Park will be stepping down as Bernoulli Society Scientific Secretary following his election as Vice-President of the ISI. We congratulate him and are very grateful to him for his service to the Bernoulli Society in this role. The Council has approved Prof. Song-Xi Chen (Peking University, <http://english.gsm.pku.edu.cn/faculty/en/csx.html>) to replace Prof. Park as Scientific Secretary. The new Scientific Secretary, if approved by the Bernoulli GA at the 2019 WSC in Kuala Lumpur, will begin his term immediately after the WSC, completing Prof. Park's term which runs until the Bernoulli-IMS World Congress (August 2020).
