ISBIS 2020: International Symposium on Business and Industrial Statistics

The **ISBIS** biennial international symposium, **ISBIS 2020**, will be held from July 28 to July 30, 2020, at Brock University in Canada (20 minutes' drive from Niagara Falls!). The conference will be hosted by the Faculty of Math and Science at Brock University. Comments and suggestions can be made to Professor Ejaz Ahmed (Email: seahmed12@gmail.com). More details about the conference will be released later. We look forward to strong attendance and participation of ISBIS members and friends.

ISBIS 2019 Satellite Conference

The ISBIS 2019 Satellite Conference will be held in Kuala Lumpur on Thursday August 15 and Friday August 16, 2019, just before the start of the 62nd ISI World Statistics Congress. It will be hosted by Bank Negara Malaysia and will take place at Sasana Kijang, a center of knowledge and learning excellence established by Bank Negara Malaysia.

Questions about the program should be sent to the chair of the Scientific Program Committee: Martina Vandebroek (martina.vandebroek@kuleuven.be). Questions about the local organization should be sent to the chair of the Local Organizing Committee: Wee-Yeap Lau (wylau@um.edu.my). All information about registration, hotel information, program, etc. can be found on the conference [website](#).

ISBIS Short Courses at WSC 2019

ISBIS is pleased to announce two excellent ISBIS-sponsored short courses at the WSC on 17 August 2019: SC04 (Tahir Ekin: Statistical Methods for Fraud Assessment) and SC05 (Rob J Hyndman and Earo Wang: High-Dimensional Time Series Analysis). Details about these courses can be found at www.isi2019.org/short-courses and [here](#).

ISBIS Newsletter

ISBIS News, the newsletter of the International Society for Business and Industrial Statistics, published recently its latest issue, which is available in the [Society's website](#).
