From the ISI Director:

See you in Kuala Lumpur!

It’s just a few days left before we’ll be heading to Kuala Lumpur, Malaysia, for the 62nd ISI World Statistics Congress. ISI Permanent Office staff are very excited and looking forward to seeing many of ISI members at the WSC venue, the KL Convention Centre at the foot of the famous Petronas Towers.

Come to Kuala Lumpur, a vibrant city with rich cultural diversity. Meet the ISI Permanent Office Staff at the ISI booth in the Exhibition area and take a selfie with The Girl with the Pearl Earring to already get a feeling of the next WSC in The Hague, The Netherlands, in 2021.

Connect with old and new friends. Use this opportunity to learn about the activities of the ISI Associations and the numerous ISI Committees and networks, such as the Young Statisticians, the Committee on Women in Statistics, the Committee on Agricultural Statistics and so forth.

Create opportunities for exploring new ideas with your fellow statisticians from over 120 countries. Exchange ideas with your peers, explore the creativity of collaborative networks and discover the latest trends.

See you in Kuala Lumpur!

Ada van Krimpen
ISI Director
