

IAOS News January 2020

Zambia 2020 IAOS-ISI Conference “Better Lives 2030: Mobilising the power of data for Africa and the world”

Registration information coming soon. See www.iaos-isi.org for more information.

IAOS Young Statistician Prize

IAOS thanks all entrants for the 2020 competition. Interviews with the 2019 YSP winners are on the SJIAOS website (www.officialstatistics.com).

Statistical Journal of the IAOS (SJIAOS)

The December 2019 issue now is available. Features include: The future role of Official Statistics in the informational ecosystem, YSP2019 winning papers, as well as papers on Smart Statistics.

The latest Official Statistics debate at www.officialstatistics.com is based on the article by Walter Radermacher ‘Governing-by-the-numbers / Statistical Governance; Reflections on the future of official statistics in a digital and globalised society.’ Come join the debate.

Extra issue of the SJIAOS on ‘Official Statistics for Africa’

An extra issue of SJIAOS is planned in 2020 for publishing interesting and relevant contributions on topics relevant for Africa and African countries authored by African Official Statisticians. This issue is prepared in the context of the **Zambia 2020 IAOS-ISI Conference**. More information on the SJIAOS website (www.officialstatistics.com)

2020 UN World Data Forum – Call for Proposals
