Bernoulli Journal Lecture at 63rd ISI World Congress

Johannes Schmid-Hieber (University of Twente) was chosen to give the Bernoulli Journal Lecture at the ISI World Statistics Congress (ISI WSC 2021) in The Hague. Details on Johannes' research can be found at wwwhome.ewi.utwente.nl.

New Chair of CCSP

Christina Goldschmidt (Oxford University) has been elected as the new Chair of the Committee for Conferences on Stochastic Processes (CCSP) for a two-year term 2020-2021. We thank the previous chair Zhen-Qing Chen for his service!

Site visit to Bochum

On 28 January 2020, Claudia Klüppelberg, President of the Bernoulli Society, and Adam Jakubowski, President-Elect, visited Ruhr-Universität Bochum, the site of the 11th Bernoulli-IMS World Congress in Probability and Statistics to be held in 2024. The inspection of the infrastructure as well as the meeting with members of the Local Organizing Committee confirmed that the preparations to the World Congress 2024 are on the right track.

Melbourne, Australia

ims-aprm2021.com

The Institute of Mathematical Statistics APRM will provide an excellent forum for scientific communications and collaborations for the researchers in Asia and the Pacific Rim, and promote communications and collaborations between the researchers in this area and those from other parts of the world. The program covers a wide range of topics in statistics and probability, presenting recent developments and the state of the art in a variety of modern research topics and in applications. Invited session proposals are now being considered.
