

## **IASE News February 2020**

### **Iranian Statistics Conference Abstracts due 26 February**

The fifteenth Iranian Statistics Conference, which will be held in Yazd, Iran, on 19, 20 and 21 August 2020, will devote a special session to statistics education. The conference will generously cover all local expenses of all contributors from foreign countries whose papers are accepted by the conference.

Interested researchers may view more information about the conference at <http://isc15.yazd.ac.ir> and contribute by sending their contribution directly to Ali Rejali, School of Mathematical Sciences, Isfahan, Iran, a.rejali at yahoo.com.
