

ISBIS News February 2020

ISBIS 2020: International Symposium on Business and Industrial Statistics

The **ISBIS** biennial international symposium, **ISBIS 2020**, will be held from 28 to 30 July 2020, at Brock University in Canada (20 minutes' drive from Niagara Falls!). The conference will be hosted by the Faculty of Math and Science at Brock University. More details about the conference can be found at:

<https://brocku.ca/mathematics-science/isbis-2020-conference-on-statistics-in-business-and-industry/>

The deadline for submission of invited session proposals, and contributed papers and posters is 1 March 2020.

We are happy to announce the keynote speakers:

- Stefan Steiner (University of Waterloo)
- Julie Novak (Netflix)
- Bonnie Ray (Chartbeat)
- Bianca Maria Colosimo (Politecnico di Milano)

We also have two short courses:

- Rafal Kulik (University of Ottawa) on Financial Statistics
- Vadim Sokolov ([George Mason University](#)) on Deep Learning

ISBIS Sponsored Conference: International Conference on Advanced Statistical Techniques in Business and Industry

This is a regional conference of ISBIS in conjunction with 25th Anniversary of Department of Statistics, CUSAT, Kochi, India. The conference will be held from 28 to 30 December 2020. The primary objective of the conference is to provide a platform for disseminating recent developments on statistical methods for different fields of application in general, Business, and Industry in particular. To expose young researchers and students to ideas in the theory and applications of Statistics, the seminar will consist of expository talks by experts in addition to invited talks and contributory sessions. More details can be found at <http://statconferencecusat.co.in/6/IBIS2022/index.php>.

Post Conference Report on ISBIS Sponsored Conference: Conference on Statistical Methods in Finance

The fifth conference and workshop on Statistical Methods in Finance were held in Chennai India during 16-21 December 2019. A three-day workshop on Data Science in Finance was followed by a conference with active participation from academia and industry. More details on the conference are available on <http://statfin.cmi.ac.in/2019/>
