

IAOS News March 2020

SJIAOS March 2020 issue now available

The March 2020 issue has the special theme – Population and Housing Censuses. This Special issue contains 25 articles giving a broad and worldwide overview of the many aspects of census taking. Thanks to INSEE and UNFPA this special issue will be fully open access.

The latest Official Statistics debate

The latest Official Statistics debate at www.officialstatistics.com will also focus on the theme of Population and Housing Censuses, with the title: Population censuses; are statistical dinosaurs able to adapt? Come and join the debate.

Extra issue of the SJIAOS on ‘Official Statistics for Africa’

An extra issue of SJIAOS is planned in 2020 for interesting and relevant contributions on topics relevant for Africa and African countries authored by African Official Statisticians. More information on the SJIAOS website www.officialstatistics.com
