

## **Extension of the Memorandum of Understanding for collaboration between ISI and Esri**

On 5 March 2020, during a meeting in conjunction with the 51<sup>st</sup> Session of the UN Statistical Commission in New York, the International Statistical Institute (ISI) and the Environmental Systems Research Institute, Inc (Esri) signed an extension of the Memorandum of Understanding (MoU) dated 30 March 2018.

The extension is based on the successful cooperation and completion of activities under the previous MoU. The objective of the new MoU is to continue the collaboration between ISI and Esri for the benefit of the international statistical community and related interests.

The second edition of the ISI/Esri student competition will be launched under this agreement in May 2020.
