Young Scholars for Better Statistics Award - closes 30 March 2018

IAOS and the OECD invite graduate students to participate in their “Young Scholars for Better Statistics” award for the best paper using official statistics. This award seeks to encourage young graduate students to take an active interest in official statistics. The first-place winner and their academic advisor will receive travel funds to present their paper at the 2018 IAOS-OECD Conference in Paris, France on 19-21 September 2018.

For more details see www.oecd.org/iaos2018 or <http://www.iaos-isi.org/>

SJIAOS December 2017 issue

The [December 2017 issue of the SJIAOS](#) is now available. This issue has a focus on the Implementation of the Fundamental Principles of Official Statistics in developing countries, implementation challenges with SDGs and the winning paper from the 2017 YSP.

SJIAOS - Calling for papers on Administrative Data

SJIAOS is calling for papers on Administrative Data for a special issue on this topic. Papers can relate to any aspect of the topic, with preference to initiatives since 2010. See [here](#) for more information.

American Statistical Association Links Lecture Award - Call for Nominations

The ASA have created the Links Lecture Award to honour the contributions of Constance Citro, Robert Groves, and Fritz Scheuren, and to contribute to advancement of work in official statistics through the statistical use of administrative records and alternative data sources. Each year, a lecturer will be chosen from among a set of nominated candidates to receive the award and to present a lecture. The ASA is now calling for nominations to present the lecture. Nominations close on 1 May 2018. More information is available at <http://www.amstat.org/ASA/Your-Career/Awards/Links-Lecture-Award.aspx>

Call for proposals for IAOS sponsored sessions at the ISI World Statistical Congress in Kuala Lumpur, Malaysia 2019

IAOS members and others interested in official statistics are invited to present proposals for Invited Paper Sessions (IPS) for the 62nd ISI World Statistics Congress (ISI WSC 2019), to be held on 18-23 August 2019 in Kuala Lumpur, Malaysia. All the submissions need to be submitted by 31 March 2018. For more information see <http://www.isi2019.org/> or [here](#) .
