IASS Webinar:
SAMPLE SURVEYS ON COVID-19 PANDEmia AROUND THE WORLD

You are all invited to the IASS webinar on June 24, 2020 1:00 PM CET (=8:00 AM GMT-3)

The webinar showcases examples of how national organizations are taking measures to collect data on COVID-19 using surveys. This includes measuring the prevalence in populations and its impact on well-being.

The moderator will be Denise Britz (IASS President) and there will be presentations from different countries: Australia, Brazil, Cuba, Israel, Italy and UK.

The invited panellists are:
• Bruce Fraser (Australian Bureau of Statistics)
• Pedro Silva (National School of Statistical Sciences - ENCE/IBGE)
• Luis Carlos Silva Aycaguer (Escuela Nacional de Salud Pública de Cuba)
• Monica Pratesi (University of Pisa)
• Danny Pfeffermann (Central Bureau of Statistics)
• Salah Merad (Office for National Statistics)

Please register for IASS Webinar - Sample Surveys on COVID-19 Pandemia.

After registering, you will receive a confirmation email containing information about joining the webinar.
