Oliver Chinganya and Matthew Shearing appointed as new co-chairs of ISI SCB Committee

Committees' News

The ISI's Statistical Capacity Building (SCB) activities aim to develop the capacity of individuals and organizations to increase the impact of Statistics and Data Science.

In October 2021 the ISI Executive Committee appointed Matthew Shearing, Statistical Consultant on various assignments for the UN Economic and Social Commission for Asia and the Pacific (UNESCAP) and the World Bank, and Oliver J.M. Chinganya, Director, Africa Centre for Statistics, UNECA, Addis Ababa, Ethiopia, as the new co-chairs of the ISI [Statistical Capacity Building Committee](#).

Matthew and Oliver succeeded the previous co-chairs, Fabrizio Ruggeri and Irena Križman, who have performed excellent work in chairing the ISI Statistical Capacity Building Committee. We would like to express our great appreciation to Fabrizio and Irena for their invaluable contribution to the committee.
