[Upcoming Webinars on Writing for Statistical Journals – Save the dates!](#)

Associations' News

Want to publish your work in international statistical journals, but don't know how, or want to improve your chances of a manuscript being accepted? Then you should attend these webinars on 8, 10 and 15 February 2022.

The workshops are organized by the Statistical Journal of IAOS, Journal of Official Statistics, Survey Methodology, Survey Statistician, and the publishers IOS Press and Wiley. Join colleagues from around the world for webinars to be held on 8, 10 and 15 February 2022, from 15:00 – 17:00 (CET). More information will be available on [Official Statistics](#).
