ISI Regional Statistical Conferences (RSC)

Our Regional Statistical Conferences serve as a platform to promote statistics and the ISI in the world, each time in another region.

1. The [1st ISI Regional Statistics Conference](#) was organized in Kuala Lumpur, **Malaysia** from 16-19 November 2014. It was a successful and enjoyable event with over 500 participants from South East Asia.
2. The [2nd ISI Regional Statistics Conference](#) was held in Bali, **Indonesia**, from 21-24 March 2017.
3. *Forthcoming*:
The 3rd ISI Regional Statistics Conference will be held in Livingstone, **Zambia**. Date to be confirmed.
