IASS Webinar Series proven successful

The IASS Webinar Series continues to be a very successful initiative: the last webinar by Marcelo Trindade Pitta and Pedro Luis do Nascimento Silva on “Rescuing non-probability samples: an experience with model-based inference from a web-panel survey” had almost 200 registered participants from all over the world! The current timetable for upcoming IASS webinars is below. Note that CET is Central European Time. Links to register for the webinars are provided below where available. More details, such as abstracts will be directly emailed to registered members. A list of previous IASS webinars can be found here and recordings are available here. If you would like to contribute with suggestions for future speakers contact Andrea Diniz da Silva at andrea.silva@ibge.gov.br.
