ISI Young Statisticians Committee (YS)

Goals

- Advise the ISI Executive Committee on:
  - how to encourage young statisticians to join ISI, and what values and benefits should be developed and offered,
  - how to promote the careers of YS,
  - how we can offer a platform for YS around the world to get together and network.
- Promote, and collaborate in, mentoring activities.
- Promote awards within conferences and travel awards.
- Organize regional conferences, workshops and short courses, and webinars.
- Coordinate with groups of young statisticians within ISI regional networks and ISI Associations.
