

## ISI Elected Membership

The graphic features a blue background with a white geometric pattern of interconnected lines. In the top right corner is the ISI logo, which consists of the letters 'isi' in a white, lowercase, sans-serif font inside a blue square. The main text is in white and blue, reading: 'Join the **International Statistical Institute** as an Elected Member'. Below this is a horizontal white line. Underneath the line, four bullet points are listed in white: 'Be recognised', 'Be involved', 'Be informed', and 'Benefit discounts'. The bottom half of the graphic is a photograph of two people sitting at a table. On the left is a man in a white shirt and red tie, gesturing with his hand. On the right is a woman in a black and white patterned top, looking towards the man. A white text box at the bottom of the photo contains the text 'Statistical Science for a Better World'.

ISI Elected membership is open to individuals who are established in their careers and have made significant contributions to the statistical profession. As an ISI Elected member you will [enjoy a range of benefits](#).

Elected Membership involves an **election conducted by the ISI Elections Committee** (MEC). Candidates for Elected Membership may be nominated, invited or propose themselves.

## ISI Elected Membership Process

### Application process

All mentioned forms are available for download [further down this page](#). Once filled out, all forms must be submitted to us in PDF format.

- The **Candidate form** must be completed in as much details as possible.
- The candidate must supply a **CV / resume** as well.
- The candidate must fill in the **Consent form** for the processing of their personal data, and submit it together with the other documents.
- As part of the application process, each application must obtain support from 3 [current ISI Elected Members](#) as sponsors. Each sponsor must use the **Sponsors supporting comments** form, one per sponsor.
- If you do not have all 3 Sponsor supporting comments forms available when you submit your application, you can submit them at a later date.

### File type and naming conventions

## PDF Conversion

You are responsible for converting your application documents from whichever format – such as .doc, .docx or .jpg – into PDF files.

## File naming

In order to ensure quick and efficient processing of your application, you are required to name all documents according to these conventions:

- lastname(s)\_documenttype.pdf (all lowercase)

Replace any spaces in the lastnames with dashes (-).

*Examples:*

The candidate is named “John Smith” and one of the sponsors is named “James Hyde Jones”. So the files need to be named:

- smith\_candidateform.pdf
- smith\_cv.pdf
- smith\_consentform.pdf
- smith\_hyde-jones\_supportingcomments.pdf
