

Introduction

In September 2015, United Nations launched sustainable development goals (SDGs), Egypt was one of the 193 countries that adopted the SDGs and ratified the related agreements, the core of SDGs is a set of 17 Goals, 169 targets, and 232 indicators.

The Goals are presented as “integrated and indivisible, global in nature and universally applicable”. The Agenda presents them as addressing the 5Ps: People (broadly corresponding to Goals 1-5), Planet (6, 12, 13, 14 and 15), Prosperity (7-11), Peace (16) and Partnership (17).

To meet the ambitions and demands of SDGs, the National Statistical office all over the world has started to review their statistical surveys and their systems, capabilities to monitor challenges and follow-up SDGs.
